MINI comparative advertisement. Not authorized by any other manufacturer. MINI bogey stickers are for fun. Do not use bogey stickers to instigate other motorists at stoplights. Bogey stickers should not be sold on the black market. Any resemblance between a bogey sticker and a space ship is completely coincidental (in compliance with Space League Federations, Division of Intergalactic Copyright Law #GG35). Bogey stickers are odorless, any attempt to scratch and sniff bogey stickers will be fruitless.
